## Scholarship Foundation

### About Us

The Becky Walker Scholarship Foundation was founded in memory of Becky Walker - our mother, wife, sister, daughter, and friend - who passed away from pancreatic cancer in February of 2019. As an educator, Becky was passionate about continuing education, therefore we are proud to provide scholarships to graduating seniors at Title I schools in Tampa, FL. In past years, we have distributed between 1-4 scholarships of \$10,000 over a four year period to seniors who demonstrate exceptional academic and extra-curricular achievement, community service, and the financial need for tuition assistance. Through our new partnership with Florida Pre-Paid, we are now able to leverage their matching program and increase that amount to \$18,500 per student. Our goal is to raise enough funding to gradually expand to all Title I Schools in the Tampa Bay area. We currently serve students at Spoto and Leto High Schools, distributing six new scholarships each year.

## Our Mission

We honor the memory of passionate educator Becky Walker by giving students opportunities to pursue their purpose and passions. We recognize the achievements of students who demonstrate exceptional scholastic performance while removing economic barriers to prosperity.

## Our Vision

To change lives through the power of community.

# Becky Walker

### Becky's Bash for Education

Becky's Bash for Education, our annual fundraising event, is a community party featuring music, food, and fun.

The proceeds from this event go towards the Becky Walker Scholarship Foundation's mission of making higher education more accessible to all.
